Mission Statement

The staff, students, parents, and community of Lamping Elementary School are committed to excellence in education. It is our mission to provide a caring, positive, and safe learning environment where each child is challenged to achieve, commensurate with his/her ability and is provided enriching experiences that foster personal integrity, respect, and responsibility.

Principal's Highlights

Lamping Elementary was again designated a 5 star school by the Nevada School Performance Framework for demonstrating excellence within the growth model.

- A fully equipped science lab, the William McCool Science Center, with a full-time instructor provided hands-on instruction for all students K-5.
- Every classroom utilized interactive whiteboard hardware to intellectually engage students through technology integration.
- Lessons integrated the use of CPS responders which further enhanced the students' engagement and technological accessibility.
- Teachers and community members provided tutoring, during and after school for students who needed additional academic support.
- Extended day activities such as Literacy night, Art night, and Science Fair allowed students to experience and demonstrate learning.
- Major units of study were culminated with field trips in Kindergarten through 5th grade, including trips to witness performances at the Smith Center.
- Teachers utilized Common Core State Standards to teach increased complexity of curriculum and provided intervention and enrichment.
- Lamping staff were trained in Inclusive Schools Practices to ensure we welcome, challenge, and advance each and every child.

Goals and Objectives

Goal 1

Increase the percentage of students proficient in reading.

Objective(s):

Increase the percent of 4th -5th grade students catching up in ELA from 26 to 41 by 2014 as measured by School Growth Summary Report.

Goal 2

Increase the percentage of students proficient in math.

Objective(s):

Increase the percent of grade 5 students moving up in math from 13% to 20% as measured by the School Growth Summary report.

School Communication Efforts

Parents are kept informed of events, schoolwide activities and new programs at the school through a weekly newsletter. Parents are kept informed of their child's progress through progress reports and postings on ParentLink. Conferences are held to review students' assessment data, academic progress, and behavior. Parents can also communicate with teachers and the administration through e-mail linked to the school's website. The website provides parents with information about school events, links to support academic programs, and links to family services throughout the community. Parents serve on a variety of committees including the Lamping Improvement Team, the William McCool Science Center Foundation, School Generated Funds Committee, and School Safety. Parents are active and involved as over 200 parents a week volunteer throughout the school. The Lamping PTA is very active, sponsoring activities such as Family Reading Night, Take Your Dad to Lunch Day, Watch D.O.G.S. (Dads of Great Students), Junior Safety Patrol Officers (JSPO), and Fall Festival. The Lamping PTA has received national recognition for its work with the Lamping community.

Summary of Standards-Based Test Performance

Nevada uses criterion referenced tests (CRTs), Nevada Alternate Assessment (NAA) and the High School Proficiency Exam (HSPE) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to the Nevada Report Card Website at www.nevadareportcard.com.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the Approaches Standards range of achievement
