

Volunteers! You can make a difference!

Dear Volunteers,

This is your opportunity to give back to our children, the Lamping Elementary staff and our community. Throughout the year volunteers are needed to help with events, projects and other school activities. Volunteering demonstrates to your children that their education is important to you.

Please take a moment to look over the descriptions of volunteer opportunities. Place a check mark next to the category that interests you. You may choose to volunteer during the school day just once a week, after school/evening positions, special events or any at home opportunities. If there is a day or time preference please make note of that on the page 2. Please return the completed form to your child's teacher by Wednesday, September 2nd. Your name will be added to a master list which will be used for future events.

Your volunteer participation and the parent involvement here at Lamping is one key to our children's success! Let us continue to contribute to the High Achieving School that Lamping Elementary offers. Thank you for your participation you truly make a difference!

Sincerely, Kathy Disney-Fairchild and Sue Disney - Parent Involvement Coordinators

One Day a Week

- Marquee Wishes: place messages on Marquee located in front of school. (8:20-8:40 a.m.)
